A vacation in a foreign land
Uncle Sam does the best he can

Now, you remember what the draftsman said:
Nothing to do all day but stay in bed
You're in the army now...

You'll be the hero of the neighbourhood
Nobody knows that you've left for good
You're in the army now...

Smiling faces as you wait to land
But once you get there no-one gives a damn
You're in the army now...

Hand grenades flying over your head
Missiles flying over your head
If you wanna survive get out of bed
You're in the army now...

You've got your orders, better shoot on sight
Your finger's on the trigger but it don't seem right
You're in the army now...

Shots ring out in the dead of night
Sgt. calls: "Stand up and fight!"
You're in the army now...

Night is falling and you just can't see
Is this illusion or reality
You're in the army now...
