She was standing at the barrier by security check  
That was as far as they'd let her  
Trails of mascara down her cheeks and her neck  
Worried her loved one might forget her  
He is leaving today  
I watched him run, run, run to catch his plane  
Determination on his face  
Nothing could stop him, nothing could stop him  
Nothing could stop him, he had to get away

She'll be waiting 'til the end of the world  
Just because he didn't say the word  
N-n-n-no  
No no  
She'll be left a strange and unsettled girl  
Just because he didn't say the word  
B-b-b-bye  
Goodbye

It reminded me of something I've been trying to forget  
A window I left wide open  
The day I didn't say the words that I should've said  
And left a hungry man hoping  
I was leaving that day  
I had to run, run, run to catch my train  
I heard him calling out my name  
But nothing could stop me, nothing could stop me,  
Nothing could stop me, I had to get away

Now he'll be waiting 'til the end of time  
Just because I couldn't say the word  
N-n-n-no  
No no  
It'll rattle in the back of his mind  
Just because I couldn't say the word  
B-b-b-bye  
Goodbye

If you're leaving  
Say the word...

I'll be waiting 'til the end of time

Just because you haven't said the word  
N-n-n-no  
No no  
It'll rattle in the back of my mind  
Just because you haven't said the word  
B-b-b-bye  
Goodbye
