A strong hand, a strong hand  
So I don't fall  
A strong man, a strong man  
To make me feel small  
His muscles chase each other up and down his forceful  
arm  
Genetic confidence behind his magnetic calm  
A strong man, a strong man  
To take care of all

But if no man is an island  
Then no woman is his yacht  
And no man is stronger than his fear  
To lose the one he loves  
And if I should leave tomorrow  
He would surely be destroyed  
And crumble like a hopeless child  
Who's lost his favourite toy  
I  
Oh, I hate to see a grown man cry

There's nothing in the world he couldn't teach you  
about  
He always puts his weight behind and shows no sign of  
doubts  
A strong man, a strong man  
A strong man, a strong man  
A strong hand, a strong hand  
To make me feel small

But if no man is an island  
Then no woman is a bridge  
And his love will take him nowhere  
If he doesn't know where she is  
And if I should leave tomorrow  
He would surely be destroyed  
And crumble like a hopeless child  
Who's lost his favourite toy  
I  
Oh, I hate to see a grown man cry
