LIEZ!

LIEZ!

[BRIDGE]

I can not say no more

I can not say too

I'm not says no more

I can not stay forever

How could I trust those (LIEZ!)

Why did you say that to me

How could I trust those (LIEZ!)

Maybe it's now or never

[VERSE]

Feels like I'm falling

To the ground

(Like I'm falling down, can you hear the sound as I  
touch the ground. I'm falling)

I'm standing on the edge

Can't see the ground

(Like I'm falling down, can you feel the ground, it's a  
long way down)

[CHORUS]

I... I think I lost my mind

I think I lost this time

How could I be so blind

[x2 times]

(NOW IT'S ALL GONE AGAIN!)

[VERSE]

Now it's all gone again

Now it's all lost forever

Now it's all gone again

We can not tell you never

[BRIDGE]

How could I trust those (LIEZ!)

Why did you say that to me

How could I trust those (LIEZ!)

Maybe it's now or never

[VERSE]

Feels like I'm falling

To the ground

(Like I'm falling down, can you hear the sound as I  
touch the ground. I'm falling)

I'm standing on the edge

Can't see the ground

(Like I'm falling down, can you feel the ground, it's a  
long way down)

[CHORUS]

I... I think I lost my mind

I think I lost this time

How could I be so blind

[x2 times]

... I think I lost my mind ...

... I think I lost this time ...

... How could I be so blind ...

[CHORUS]

I... I think I lost my mind

I think I lost this time

How could I be so blind

[x4 times]
