There's a heaven for you
Try to remain, don't fall
There's a heaven for us all
(Repeat one time)

DON'T WANNA SEE YOU FALL!

There's a heaven for you
Try to remain, don't fall
There's a heaven for us all

Open your eyes and see
Someone looks up for you
Open you mind and breath
Open your eyes and see
Someone to care about
Open you mind and breath

Open you eyes and fall!
To get to me, to get to try
To fall, you fight again
?...?...?...?...?...?
To fall, to take a chance
You care a new law (new law, new law.)

DON'T WANNA SEE YOU FALL!

There's a heaven for you
Try to remain, don't fall
There's a heaven for us all

DON'T WANNA SEE YOU FALL!

There's a heaven for you
Try to remain, don't fall
There's a heaven for us all

Open your eyes...
Open your mind...
Open your eyes.. and see the beauty around you
Open your mind.. and breath..
Open your eyes and FALL!
