She bled from every fucking hole

First step: rip out entrails
From her bloody cunt,
Nothing but a piece of meat, nothing but a whore.
I'm sick and tired of fucking whores,
I'm trying sodomy with saws;
Let's see how fucking hot she is
With her asshole ripped to bits.
Straight up her arse goes my blade,
Thrusting deeply
Nothing but a whore
Fucker

Disembowl her fucking body
Make her feel it!

When I'm done with you
You won't have a cunt left!
