My knife is deep inside your fucking uterus
Shut your fucking mouth, as I am thrusting
My knife inside inside your sexual organs
You should never be allowed to reproduce
I'll make it my priority, to wipe you out
You fucking plague on humanity
I'll watch your body twitch and squirm
Never control my life, you will never learn
I only called you over so I could commit murder
And rid this world of one fucked up cunt
You are the queen of filth and hypocrisy
Spinning your web of lies and hate
Your soul is dead
And burning, you lived this way
Think but never see
For years and years you've sickened me
Left a path of destruction in your wake
You are the queen of filth spreading hypocrisy
Your soul is dead
For years you've been a coward
Your soul is dead
