(written by otis redding and jerry butler)

I've been loving you too long  
Should stop now  
You're tired and you want to be free  
My love grows stronger as you become a habit to me  
I've been loving you a little too long  
I can't stop now  
With you my life has been so wonderful  
I can't stop now  
You're tired and your love is growing cold  
My love grows stronger as our affair grows old  
I've been loving you a little too long  
I can't stop now  
I've been loving you a little too long  
I can't stop now  
Don't make me stop now  
Don't make me stop now
