Erreurs

Je sais que je les porterai toute ma vie

Mes erreurs

Comme de celle

Tu sais laquelle

Quand on a coupe mes cordes

Je me suis envolée ailleurs

On a coupe mes cordes

Et je ne redescendais pas

Mistakes I've made

I know, I'll live with them all my life

Mistakes I've made

Like the one, you know the one

And I had my strings cut

I went flyin' around

And I had my strings cut

I wasn't coming down

These days I'm only happy when I cannot move

These days I'm only happy when I'm tied down

Next to you

Not with my strings cut

When I'm flyin' around

Not with my strings cut

When I'm not coming down

Mistakes I've made

I know, I'll live with them all my life

Mistakes I've made

Like the one, you know the one

And I had my strings cut

I went flyin' around

And I had my strings cut

I wasn't coming down
