Shut up
I'm thinking
Shut up
I'm thinking

Shut up
I'm thinking
I'm thinking
So shut up

If I hold you too tight just say, "Let go"
I know this touch can leave you hurting
When my words clatter about your head
Don't go to bed, just say, "Shut up"

'Cause in my sleep, I still clench my teeth
I'm at my strongest only when I'm weak
I can give you those bruises just by talking to you
You know I can laugh 'til you're almost through

Shut up, yeah
Shut up, yeah
Shut up, yeah
I'm thinking, oh

Shut up, yeah
Shut up, yeah
Shut up, yeah
I'm thinking, oh
