Pretty words  
Likes ones youve never heard  
Oh those pretty words  
What can they say?  
It felt like the first summers day  
When I heard those pretty words  
Oh those pretty words  
Oh those...

Pretty words  
Like ones youve only overheard  
They hang together like pearls  
I cant even say  
Do you feel so much better now  
Now youve heard those pretty words  
Oh those pretty words  
Oh those...  
Oh those pretty words  
They hang all around me now  
Like a nicotine string of pearls  
Im falling inside them now  
When there's a sound you hear  
And it feels like everything  
And it feels like everything  
And it feels like...

Youre just such a pretty one  
You make everything feel undone  
Waiting for those hands to come  
Waiting for those hands...
