Take me
Take me to your darkest room
Close all the windows and bolt all the doors
From the first moment I heard your voice
Iâ€™ll be in darkness no more

Take me to your most barren desert
A thousand miles from the nearest sea
The very moment I see your smile
It was like heaven to me

Thereâ€™s not a mountain too rocky to climb
No desert too barren to cross
Darling if you were to show me a sign
Of love I could bear your loss

Take me to Siberia
The coldest weather of any wintertime
And it would be just like spring in California
As long as I knew you were mine

Take me 4x
