Tricklin' through my mind
Tickles
Tricklin' through my mind
It quickens or decides to slow
Tricklin' through my mind
It tickles me behind my eyes
It's tricklin' through my mind
It never quickens or decides to slow
Tricklin' through my mind
It just reminds me
It's tricklin' through my mind
It tickles
Tricklin' through my mind
It never quickens or decides to slow
Ticklin' me behind my eyes
It's growing all the time
It's tricklin' through my mind
Tricklin' through my mind
It never quickens or decides
Trickles
This tricklin'
Never quickens or decides to slow
It's tricklin' through my mind
It never quickens
Tricklin' through my mind
It never quickens or decides to slow
It's tricklin' through my mind
It never quickens or decides
It tickles me behind my eyes
Tricklin' through my mind
It tickles me behind my eyes
It's tricklin' through my mind
It quickens
Tricklin' through my mind
Quickens
Goes tricklin'
Or decides to slow
Trickles through my mind
Never quickens or decides to slow
Trickles
Never quickens or decides to slow
Just reminds me

Just reminds me
It just reminds me
