Whatever you want to see  
Whatever you decide to believe  
Whatever you say or you think  
Whatever you know I'll agree

I feel you slipping  
I watch you fading  
I cannot hold you now  
You're on your way down

Whatever you passed on to me  
Whatever you decide you'll plead  
Whatever you say or you feel  
Whatever this [is], [this] is unfair

Get it right  
It's severe  
There's so much being done up here  
And we think we're so serious  
Well, I just take what I can up here

I watch you slipping...
