Summer's been long
Time just didn't fly
Wishes never died
They're still right here
Right where you left me
Livin' with a ghost
She always gets the most
Of me cause
Shadows of You
They just won't let me through
I'm s tranger in my own life

Angeline, Angeline
We're still dancing in my dreams
Only yesterday belongs to pain and sorrow
Angeline, Angeline
Shed your light on my life
Give tomorrow tomorrow
Angeline

I've come so far
If only in my mind
Spending all this time
I see the truth
Love was neglected
Dreams remained just dreams
At least that's how it seems
From this side
Fellings won't end
No I just can't pretend
I only see myself with you

Chorus

Cause only you could paint my world
With living colors
you'll always be my only girl
you're like no other

Angeline, Angeline.....
Back to me
