I've been down a winding road.
There were days I felt like letting go.
But you've only got one life.
I'm gonna give it all this time.

This is it I gotta start living.
I don't care what people are thinking.
I know now what it's all about.

Hello, hello, hello, hello here I am.
Welcome to my life.
Welcome to this world of mine.
Hello, hello, hello, hello do it my way.
Driving in the fast lane.
Living, out loud.
Welcome to my life.
(oh-woah, oh-woah, oh-woah, oh-woah)
Welcome to my life.
(oh-woah, oh-woah, oh-woah, oh-woah)

I was so misunderstood.
Did everything that people told me to (cuz I should).
I was always so afraid of going my own way.

Time to stop thinking about it.
It's all out there, just gotta grab it.
I'm letting go of all my doubts.

Hello, hello, hello, hello here I am.
Welcome to my life.
Welcome to this world of mine.
Hello, hello, hello, hello do it my way.
Driving in the fast lane.
Living, out loud.
Welcome to my life.
(oh-woah, oh-woah, oh-woah, oh-woah)
Welcome to my life.
(oh-woah, oh-woah, oh-woah, oh-woah)

Up and down with people, I'm ready.
There's not a thing that can stop me.

I'm gonna run this one out.

Hello, hello, hello, hello here I am.
Welcome to my life.
Welcome to this world of mine.
Hello, hello, hello, hello do it my way.
Driving in the fast lane.
Living, out loud.
Welcome to my life.

Hello, hello, hello, hello here I am. (Hello, hello)
Welcome to my life. (to my life)
Welcome to this world of mine.
Hello, hello, hello, hello do it my way.
Driving in the fast lane.
Living, out loud.
Welcome to my life.
(oh-woah, oh-woah, oh-woah, oh-woah)
Welcome to my life.
(oh-woah, oh-woah, oh-woah, oh-woah)

Welcome to my life.
