Songwriter: Jackson, Jonathan

You tore apart my heart
I loved you from the start
But you couldn't take it
You couldn't take it

I gave you all my dreams
You tore them at the seams
You couldn't fake it
You couldn't fake it

No

This is the morning of the rain
This is the healing from my pain
This is the wonderful mistake
This is the morning of the rain

I caught a thousand lies
You acted so surprised
But you couldn't fake it
You couldn't fake it

My soul released a cry
And you could hear the sound
From London to Paris
Dublin to Nashville

Oh

This is the morning of the rain
This is the healing from my pain
This is the wonderful mistake
This is the morning of the rain

Oh, can you hear me when I'm calling, calling
Oh, can you hear me when I'm down, down, down
Oh, can you hear me when I'm falling, falling
Oh, will I ever hit the ground, ground, ground

Oh

This is the morning of the rain
This is the healing from my pain
This is the wonderful mistake
This is the morning of the rain
This is the morning of the rain
This is the morning of the rain
