Said I love you 'til you don't know you're born  
Said I'd love you 'til the far side of dawn  
But in the morning if you must leave  
Don't leave with your apologies  
If you come back  
If I liked you at all  
Remember I liked you to fall on your knees

Liar liar you're my last desire  
Thought your kind of love was just a thorn of the rose  
Tried hard to be faithful  
Not hard enough I suppose  
Tried hard to drown with a hum and a drum  
In a pretty drug slum mire tried bearing your sighs  
And your sneers and your frown  
Tried wearing your jewels and your heels and your  
crown  
But it was nothing but a twist of barbwire  
It was nothing but a twist of barbwire  
It was nothing but a twist of barbwire

See I promise I'll be constantly clean  
Did you think that I still say what I mean  
Now you're keening and you have to decide  
Will you open your legs or your eyes  
Oh do you pray now cause I pray all the time  
As the soul can't escape what the heart may disguise

Liar liar you're my last desire  
Thought your kind of love was just a thorn of the rose  
Tried hard to be faithful  
Not hard enough I suppose  
Tried hard to drown with a hum and a drum  
In a pretty drug slum mire tried bearing your sighs  
And your sneers and your frown  
Tried wearing your jewels and your heels and your  
crown  
But it was nothing but a twist of barbwire  
It was nothing but a twist of barbwire  
It was nothing but a twist of barbwire
