Once again, i'm thinking of you, girl.
tell me to part of this beautiful world.
isolate - nothing's gonna change.
but it's hard to see, see what i could change.
time could change with it.
and i won't give in!
cause i will be in this beautiful world,
and nothing will hurt.
once again, i'm lying in my bed.
i'm feeling good, no, i'm just feeling bad.
once again, trying to forget
the times with you, the best times i've ever had!
and i won't give in!
cause i will be in this beautiful world,
and nothing will hurt me anymore.
i won't give in! no i won't give in!
i will live in this beautiful world
and no one will hurt me anymore.
