Now here's the special offer 4 the Game people.
As U could C 2 what you've been waiting 4.
We present 2 U the one and only pop'n music.

(What up, homeboy? I'll rock your world!)

I remember in the days when I was a little child.
I used 2 play the Game with my homeboy, Shy.
It was the ruler, not Godzilla.
I was the RAP group, you can try to test me.

Hey, shout when the nexus is known free. [Ah! Ah! Ah!
Ahh!]
When the Rapper played just like YOUNG DREAM.
Yo, I need 2 bring the drummer from here to Martina.
[Oww!]
It's called the real Game, just pump up the volume.

(Yeah!)

The East 2 the West we play the game show.
No matter what the dealer, get my good time low!
Maximum overload, people on the flow.
We bring it 2 U live, get the jigger on the floor.

(Yeah!)

The East 2 the West we play the game show. Uh! Uh!
