(1st Verse)

She's the kinda girl that you see in the movies
Seen her in my dreams and now she's standing next to
me
Down by the shore first weekend of the summer
Got to take a chance and just ask for her number
I wish I had a song on MTV
Cause in a crowded room
I'd be the only one she'd see
She's looking bored now
I'm running out of time
I've only got 6 minutes if
I'm gonna make her mine.

(Chorus)

One minute and the earth begins to shake
Two minutes and my heart begins to break
Another minute and she makes me feel brand new
That's just three minutes with you
Four minutes and she's everything I see
Five minutes and she's where I want to be
Another minute everything just feels so new
I need six minutes with you Six minutes

(2nd Verse)

She's looking at her watch while the DJ is spinning
This could be the end or it's just the beginning
She's the kinda girl that I want to know better
Reaching for her keys so I guess it's now or never
I wish that I was on the radio
I'd sing her favorite song, she'd be front row at every
show
This party's lame and now I'm running out of time
I've only got 6 minutes if I'm gonna make her mine.

(Repeat Chorus)

(Bridge)

Sometimes I feel like the
Catcher in the Rye
Sometimes I wish that I could catch her eye

Sometimes I wish that I could be that guy Yea!
Time is passing by I'm losing my mind
I need one, two, three, four, five, six minutes with you
