(1st Verse)

We had a lot of good times  
When we were together  
And I thought we'd last forever  
You and I  
IM for so long  
I couldn't wait to get your phone call  
Dreaming 'bout you  
Makes me feel alright

That night you called me on the phone  
Said you had to stay at home  
Is there something  
I should know? Yeah

(Chorus)

I was fine till 7:05  
Till she walked out the door  
And right out of my life  
If you're gone  
I'll move on  
But it only would have taken 2 seconds to say  
Goodbye, goodbye, goodbye

(2nd Verse)

That night after your phone call  
Me and friends were hanging at the mall  
I was not believing what I saw  
Holding hands with him  
And sitting closer than six inches  
Hope that she's not gonna kiss him now

How can I call you friend?  
You stood me up in the end  
I know that it's over Yeah

(Chorus)

I was fine till 7:05  
Till she walked out the door  
And right out of my life  
If you're gone

I'll move on  
But it only would have taken 2 seconds to say  
Goodbye, goodbye, goodbye

(Bridge)  
Don't keep telling me  
That you're sorry now  
But let me tell you  
How much this hurts me too  
Yeah, Oh

(Repeat Chorus 2X)
