(1st Verse)

Wednesday I came home from school
Did my homework in my room
Then I watched some TV
I still miss you
Thursday morning went online
Got to school at half past nine
Wound up in detention I still miss you

Everything I do
Brings me back to you

(Chorus)

And I die one day at a time
Cause I just can't seem to get you off my mind
No matter how I try
Try to kill the time
Well I think that I'm just going crazy
One day at a time

(2nd Verse)

Friday I got out of bed
Tried to smile, frowned instead
Burnt some toast for breakfast
I still miss you
Saturday I turned sixteen
Never dreamt you'd act so mean
You didn't even call me
But I still miss you

And when I turn ninety four
I think I'll miss you even more

(Repeat Chorus)

(Bridge)

I miss you more than
I did a minute ago
I'd climb a mountain just to hear your echo, you
All I wanted was you
Tell me please do you think of me now and then

Cause if I never see you
I still miss you

(Repeat Chorus)
