Verse 1

They come and go, but they don't know
That you are my beautiful
I try to come closer with you,
But they all say we won't make it through

Chorus 1

But I'll be there forever
You will see that it's better
All our hopes and our dreams will come true
I will not disappoint you
I will be right there for you
Till the end, the end of time
Please Be Mine

Verse 2

I'm in and out of love with you
Trying to find if it's really true
How can I prove my love
If they all think
I'm not good enough

Chorus 2

But I'll be there forever
You will see that it's better
All our hopes and our dreams will come true
I will not disappoint you
I will be right there for you
Till the end, the end of time
Please Be Mine

Bridge

Can't stop the rain from falling
Can't stop my heart from calling you
It's calling you.

Repeat Chorus

But I'll be there forever
You will see that it's better
All our hopes and our dreams will come true

I will not disappoint you
I will be right there for you
Till the end, the end of time
Please Be Mine
