One day when I came home at lunchtime
I heard a funny noise
Went out to the back yard to find out if it was
One of those rowdy boys
Stood there with my neighbor called Peter
And a flux capacitor

He told me he built a time machine
Like the one in the film
I've seen Yeah yeah ..he said

(Chorus)
I've been to the year three thousand
Not much has changed but they lived under water
And your great great great granddaughter
Is doing fine

He took me to the future in the flux thing
And I saw everything
Boybands and another one and another
And another one
Girls there with round hair like star wars
Float above the floor

We drove around in a time machine
Like the one in the film
I've seen Yeah yeah..he said€!

(Chorus)
I've been to the year three thousand
Not much has changed but they lived under water
And your great great great granddaughter
Is doing fine

(Bridge)
I took a trip to the year 3000
This song had gone multi platinum
Everybody bought our seventh album
It had outsold Kelly Clarkson
I took a trip to the year 3000
This song had gone multi platinum

Everybody bought our seventh album
