[spoken]

"...you keep pouring into one glass and you're never changing the straw."

"And now to sing this lovely ballad, here is...Mama Cass."

Stars shining bright above you;
Night breezes seem to whisper "I love you."
Birds singing in the sycamore tree.
Dream a little dream of me.

Say nighty-night and kiss me;
Just hold me tight and tell me you'll miss me.
While I'm alone, blue as can be,
Dream a little dream of me.

Stars fading but I linger on, dear---
Still craving your kiss.
I'm longing to linger till dawn, dear,
Just saying this...

Sweet dreams till sunbeams find you---
Sweet dreams that leave all worries behind you.
But in your dreams, whatever they be,
Dream a little dream of me.

Stars fading but I linger on, dear---
Still craving your kiss.
I'm longing to linger till dawn, dear,
Just saying this...

Sweet dreams till sunbeams find you---
Sweet dreams that leave all worries far behind you.
But in your dreams, whatever they be,
Dream a little dream of me.
