Nobody can tell ya
There is only one song worth singing
They may try and sell ya,
Because it hangs them up
To see someone like you.

But you have gotta make your own of music
Sing your own special song,
Make your own kind of music Even if nobody else sing
along.

So if you cannot take my hand
and if you must be going,
I will understand.

You are gonna be knowing
The loneliest kind of lonely.
It may be rough going,
just to do your things the hardest thing to do.

But you have gotta make your own kind of music
Sing your own special song,
Make your own kind of music even if nobody
Else sings along.

So if you cannot take my hand,
And if you must be going,
I will understand.

You gotta make your own kind of music
Sing your special song,
Make your own kind of music even it nobody
Else sings along.
