[Intro]

Tinie Tempah, Yeah aah lets go

[Kelly Rowland]

Invincible, invincible

Invincible, invincible

We're invincible

[Tinie Tempah - Verse 1]

Yeah aah they said we shouldn't, Yeah they said we wouldn't

Aah look where we are, We've done what they thought we

couldn't

As bad as the odds were looking, Push yeah, we kept on

pushing

And every time I nearly hit the ground, You were my cushion

There's evidence that proves, That you were heaven sent

'Cos when I needed rescuin', You were there at my defence

Girl in you I find a friend, You make me feel alive again

And I feel like the brightest star, 'Cos you make me shine again

[Kelly Rowland - Chorus]

No matter where we are (yea), No matter just how far are paths may lead

We don't need no shields, Love is the armour that we need

We're invincible (we are), Invincible (you are)

Invincible, Loves our protector

Invincible (we are), Invincible (you are)

Invincible, We're invincible

[Tinie Tempah - Verse 2]

Aah from the wildest water, Yeah to the highest

mountains

Aah you and I forever, Even through the driest deserts
You lift me higher than ever, I feel as light as a
feather
And when we're fightin' together, We can take on
the
weather
I will keep you warm through, Every single storm you
Ever have to walk through, I will go before you
I will be the voice when you, Need someone to talk to
Please don't ever doubt me, Let me reassure you

[Chorus]

[Tinie Tempah]
It's you and I against the world
They can't stop us now
We've come too far
We've worked too hard
We're invincible

[Chorus]

No matter where we are, No matter just how far are
paths may lead
We're invincible (no matter where we are)
No matter just how far are paths may lead
We don't need no shields, Love is the armour that we
need
We're invincible (we are), Invincible (we are)
Invincible, Loves our protector (woo)
Invincible (we are), Invincible (we are)
Invincible, We're invincible (we're invincible)
[End]
