Giggs

From the days when a nigga had a flag flying
I been mad fly I'm a swag giant
Got my shit ready to swipe up a tag time
I been poppin for a while man I'm swag tired
You sorry niggas on the sad side
Swag I think I got it from my dads side
Come and put that pussy on my flash light
On my laps nice show you where the flash light
Nigga I wanna talk all that splash hype
My nigga empty 30 bottles on a bad night
Grands from the crack

Bag pipes

This the round table and I'm the black night
I'll scratch your back if you scratch mine
My voice make a bitch wet like a chat line
You bitch nigga Bad mind
Keep switching up the flow cause

I said I'm 5â€³ ballin like I'm 6â€³
Brazilian bitch with Latin tatting on her rib cage
I'm finnin take miss and make her make a mistake
Louboutin box that keeps the kicks safe

Be that Louboutin box that keeps jibs safe
A million up and I ain't seen all of my paper yet
My bread long like a mother fucking big bagette
Mad expensive table expensive tables feeling like a major leg
Caucasians following me round and they ain't the Feds
Puff puff pass sip sip vomit
In that Mercedes automatic or that trip tronic
Get the party started like a Gin and Tonic
Every thing I do I do it BIG Chris Wallace

Cause I'm the yiddest nigga's out hands down
Mosh pitting with my fans and there's a man down
You up in Micky Ds waiting on a hash brown
I'm in the Champs Ã%o lysÃ©es blowing out a hash cloud
You rappers like an application in my mac now
Make em fade into the back ground
Bang and Olufsen with a fat sound
Banging out my nigga* Zest and one of Mash Town
Success is tasting sweeter than a piece of cake
That Remy got me asking if she lick a dick a day
Bad bitches Lisa Raye
If She got double Ds then give that bitch a triple A
S's, clubs and 7â€²s like that niggas Bradley
I told my nigga's only do this shit to make it happy
Click my fuckin fingers like the laffy taffy
And I got a load of bitch's round me like Colonel Gadaffi
