Keep them dollars coming, and that's gonna make me
dance

You wanna see some ass, I wanna see some cash
Keep them dollars coming, and that's gonna make me
dance

And that's gonna make me dance, and that's gonna
make me dance

Work it, rain trip, make it, break it rain trip
Work it, rain trip, make it, break it rain trip
Work it, rain trip, make it, break it rain trip

Turn up the volume, pour up pino â€¦
Nigger uh this â€¦ push my way up a couple kilos
I know the baddest, all she drink is misso
All she do is â€¦ even Puerto Rico
Expensive taste, what the hell does she know?
She thinking ace of spades, I'm thinking verce clico
Only 22 and I'm on my 3rd vico
These niggers trying to step on me like what we earn is
equal
Fellows â€¦ got comers and shit
Ain't got no beat, â€¦ I'm in first class, next to my
thunder and shit
Twitter me at Tinie Tempah, quarter of a million follow
my shit
Better busting I'm every car, like J electronic it is
Never fuck with, I'm champagne you â€¦ feels
Now I'm in the â€¦ got you motherfuckers playing
ketchup with no mustard
Keep telling yours so wife tells, cause I ain't trying to be
no husband
You ain't never â€¦ no buzz like this I'm great â€¦
analyze
Work it, rain trip, make it, break it rain trip

More whips and chains than â€¦
She think she a princess cause she smell like â€¦ bitch
Look it, smell it, sound it, but no feeling that we made it
Make it rain, so I gotta put my top â€¦
Play the game so I gotta risk my rock up in her
Favorite game, I'ma get her to lick this cock up and I

Say no names if I get caught bottom copper
â€¦ town with the hustlers, going to pursue just to bust
it up
Had 10 thounds , now 5 thounds gone and the bitch
getting wet like she dust it up
Talk about cars and get embarrassed, you talk about
mars and you get to paris
Don't get a room without a terrorist
What the fuck you looking at girl all these carrots,
ching
Over freeze, I don't give a fuck if you over seas
Nullify a nigger that's cold to me
Better yet, motherfucker with a colder sleeve
Truly, or just caught a cold, motherfucker bout to blow
a sneeze, hatchu
He know how we go â€¦ in the coldest feet

Keep them dollars coming, and that's gonna make me
dance
You wanna see some ass, I wanna see some cash
Keep them dollars coming, and that's gonna make me
dance
And that's gonna make me dance, and that's gonna
make me dance

Work it, rain trip, make it, break it rain trip
Work it, rain trip, make it, break it rain trip
Work it, rain trip, make it, break it rain trip.
