She said she likes my watch, but she wants Steve's AP
And she stay up all hours watching QVC
She said she loves my songs she bought my MP3
And so I put her number in my Bold BB
I got a black BM she got a white TT
She wanna see what's hidin' in my CK briefs
I tell her wear suspenders and some PVC
And then I'll film it all up on my JVC

Scene one!
Everybody get in your positions
Pay attention, and listen
We're trynna get this all in one take
So lets try and make that happen
Take one!
Action!

She pose for FHM
She like my black LV
We spinnin' LPR up on my APC
I'm in my PRPR's and my Nike SB's

Ravin' with SHM
London to NYC
I got my Visa and my Visa
Her diva and her dealer
B*tch I'm up on the guest list
With the Swedish House Mafia
You can find me on a table
Full of Vodka and Tequila
Surrounded by some bunnies
And it ain't f*ckin' easter
i wake up in the mornin'
With a mild case of amnesia
With a girl that like a girl
Like Lindsey Lohan and Queen Latifah
If you n*ggers are pullin
Then boy that must be fever
And that's standard procedure from Miami to Ibiza.
