Blah, Yeah, Simple  
Honey, I'm a fine boy,  
I've done deja-vu And  
fuckin everybody wants me on their single  
My mom 44 years I got a hundred thousand  
All year my house covered in tinsel  
I go and pop and I won't stop Pringles  
yeah

[Chorus]

fuck shit fuck i betta make em' so yeah bleh , i cant let  
it go

(Tik tok, check my Roley wrist watch

Fuck how much a drink cost, we about to take off)

It's outrageous and sophisticated it's all in the air...

(The big boss, make em jump like Kriss Kross

Girl you better turn me on cos I'm about to switch off)

I can't explain it, but you're gunna love this,

So crazy outrageous, simply unstoppable (x2)

I think I should remind em,

I'm about to clean up like a Dyson

Cause I just say how it is like Simon

I like the taste of alcohol I got wine gums

I don't eva wanna hear another siren

Them highrises can block your horizon

Disturbing London is the city that I'm from

Where if we like the tune, we make the DJ rewind em

[Chorus]

fuck shit fuck i betta make em' so yeah bleh , i cant let  
it go

(Tik tok, check my Roley wrist watch

Fuck how much a drink cost, we about to take off)

It's outrageous and sophisticated it's all in the air...

(The big boss, make em jump like Kriss Kross

Girl you better turn me on cos I'm about to switch off)

I can't explain it, but you're gunna love this,

So crazy outrageous, simply unstoppable (x2)

yeah, Yeah, I betta make em say Oooh

Some Alize and some Grey Goose  
I said no to like 6 or 7 labels  
I used to sit next to Rachel in Staples  
My fans are crazy with stencils and staples  
I came to cause a bit of chaos and to break rules  
If it me, it ain't cool  
Eh baby, bring another bottle to the table

[Chorus]

I can't explain it, but you're gunna love this,  
So crazy outrageous, simply unstoppable (x2)

Be Cool yeah yeah yeah be nice  
Fresh
