Oh written in the stars
A million miles away
A message to the main
Ooooh
Seasons come and go
But I will never change
And I'm on my way!

[Tinie Tempah - Verse 1]

Lets go!
Yeah
You're listening now
They say they aint heard nothing like this in a while
Thats why they play my song on so many different
dials
Cause i got more fuckin' hits than a disciplined child
When they see me everybody brrrrrap, brrrrraps
Man I'm like a young gun fully black Barrack
I cried tear drops over the massive attack
I only make hits like I work with a racket and bat
Look at my jacket and hat
So damn berserk
So down to earth
I'm bringing gravity back
Adopted by the major I want my family back
People work hard just to get all their salary taxed
Look I'm just a writer from the ghetto like Malory
blackman
Where the hell's all the sanity at, damn
I used to be the kid that no one cared about
Thats why you have to keep screaming til they hear you
out

Oh, written in the stars
A million miles away
A message to the main
Ooooh
Seasons come and go
But I will never change
And I'm on my way!

Oh, oh, oh, oh (OH!) x4

[Tinie Tempah - Verse 2]

Yeah, I needed a change

When we ate we never tipped because we needed the change

I needed a break

For a sec I even gave up believing and praying

I even done the legal stuff and was leaded astray

They say money is the route to the evilist ways

But have you ever been so hungry it keeps you awake?

Mate, now my hunger would leave them amazed

Great, it feels like a long time coming, fam

Since the day I thought of that cunning plan

One day I had a dream I tried to chase it

But I wasn't going nowhere, running man!

I knew that maybe someday I would understand

Trying to turn a tenner to a hundred grand

Everyone's a kid that no-one cares about

You just gotta keep screaming until they hear you out

Oh, written in the stars

A million miles away

A message to the main

Ooooh

Seasons come and go

But I will never change

And I'm on my way!

Oh, oh, oh, oh (OH!) x5

(Keep singing!)

Oh, oh oh oh (OH!)

Oh, oh, oh,oh (OH!)

Lets go!

Oh, written in the stars

A million miles away

A message to the main

Ooooh

Seasons come and go

But I will never change

And I'm on my way!!
