Check out, let's go

I gotta take a ride to the pharmacy
'Cause I'm sick without you
Gotta find the doctor
'Cause I'm running out of ...
Man I need some help
Cause I'm just not doing my best
And I need to pick me up
(Cause I'm feeling so depressed)
And I just don't understand it
I'm startin' to demand it
My addiction's getting stronger
I can't wait no longer
And I just can't live without you
So tell me what am I to do?

I present the pain
Looking for you
You got what I need
Can't take no more
(Can't take no more)
I need your love
Because it's stronger than any drug, baby

I can't get enough 'cause I want it
Like a car running out of gas
Can't seem to stop without that component
Without you Lord I'm lonely
So tell me can you front me

Man I got some issues
I'm addicted to you
I'm addicted to your love
Nothing else I'm thinking of
You got me up up in the mornin'

Like I'm stream down on a drug
And man I'm tripping
Don't need nothing else
Just try to get the use of you
To fill my prescription
I'm addicted
Addicted to you

You got me so high, so high, (got me) so high
What am I gonna do?
You got me so high, so high, (got me) so high
Addicted to you

It's contagious just thinking about you
Got me into amazement
If you believe or not

You got me all again think about you
And there's nothing else that I wanna do
Than spend my time with you
I'm so crazy over you

Tic-tac on my clock
And I think I need to stop, stop
Let me fix something else in before the beat goes drop
Cause I just can't get enough of you

My heart's racing, racing
Keep racin'
Looking for you
'Cause you got what I need
Can't take no more
I need your love
Because it's stronger than any drug

I can't get enough 'cause I want it
Like a car running out of gas
Can't seem to stop without that component
Without you Lord I'm lonely
So tell me can you front me

Cause man I got some issues
I'm addicted to you

Man I got some issues
I'm addicted to you
I'm addicted to your love
Nothing else I'm thinking of
You got me up up in the mornin'
Like I'm stream down on a drug
And man I'm tripping

Don't need nothing else
Just try to get the use of you
To fill my prescription
I'm addicted
Addicted to you

You got me so high, so high, so high
You got me so high, so high, (got me) so high
Addicted to you

And I think I need a fix, I need a fix
Lord, can you help me out?

I need a fix, I need a fix
Lord, can you help me out?

I need a fix, I need a fix
I need a fix, I need a fix
I need a fix, I need a fix
Lord, can you help me out?

I need a fix, I need a fix
Lord, can you help me out?

Said, I need a fix, I need a fix
Lord, can you help me out?

I need a fix, I need a fix
I need a fix, I need a fix
I need a fix, I need a fix
Lord, can you help me out?

I'm addicted to your love
Nothing else I'm thinking of
You got me up up in the mornin'
Like I'm stream down on a drug
And man I'm tripping
Don't need nothing else
Just try to get the use of you
To fill my prescription
I'm addicted
Addicted to you

You got me so high, so high, so high
Lord you got me so high
You got me walking on cloud nine
You got me so high, so high, so high
What am I to do?
Lord I'm addicted to you
