Man, it feels so good to be here
And everybody is gonna love this song
Tell the DJ to play my song
(For you Lord)
This is how He makes me feel

It's like I'm riding in a G5, G5, G5
Top back you can see the sky, see the sky, see the sky
No matter what I do keep me feeling I'm blue
Like finding money under sofa
I'm feeling like a like a funny floffer

Lord You drive me crazy, me crazy, drive me crazy
Oh, yeah
You drive me crazy
And no matter what I do
I just can't to get enough of You
You drive me crazy, me crazy, drive me crazy
You drive me crazy, me crazy, me crazy
And it's all because of You, You, You, You
It's all because of You, You, You, You
All because of You, You, You, You
All because of You, You, You, You

You make me feel so good, feel so good
Like everyday's my birthday, no day is a work day
Like a million dollars in the hood
Got do like a cup cake
Money like a Bill Gates
No matter what I do keep me feeling I'm blue
Like finding money under sofa
Feeling like a like a funny floffer

Lord You drive me crazy, me crazy, drive me crazy, oh
You drive me crazy
And no matter what I do
I just can't to get enough of You
You drive me crazy, me crazy, drive me crazy
You drive me crazy, me crazy, me crazy
And it's all because of You, You, You, You
It's all because of You, You, You, You

All because of You, You, You, You
All because of You, You, You, You

Feeling like I do
And I drive you crazy too
Say eh, eh, eeh
And if you know your love is true
And it drives you crazy too
Say eh, eh, eeh
And my song played back
What's up? What's up?
Everybody say that's what's up
'Cause everybody is gonna love this song
Tell the DJ to play my song

You drive me crazy, me crazy, drive me crazy
Oh, yeah
You drive me crazy
And no matter what I do
I just can't seem to get enough of You
All because of You, You, You, You
All because of You, You, You, You

It's all because of You now
It's all because of You now
It's all because of You, You, You
All because of You
It's all because of You now
It's all because of You now

Hey man, everybody is crazy about something
But I'm just crazy about God, man
And He drives me crazy
