If I could travel the world  
Still none can compare  
To the way that I feel when I'm with You  
And if I had a million dollars  
Received it every hour  
I would still rather be with You

Even if I could do the things  
That I wanted to do  
Then the first thing that I would do  
I would take an airplane  
To the galaxy  
Just so I could be with You

'Cause I wanna be where You are  
I wanna see Your face  
Basking in Your presence  
I wanna feel Your grace  
Bow before the throne  
I wanna see Your scars  
Touch the hem of Your garment  
I wanna be where You are  
I wanna be where You are  
I wanna be where You are  
I wanna be where you are

If I could look across the sky  
Will I find You there  
If I could make my way to Calvary  
Will I find a cross that You once beared  
Could I find You in my heart  
Or in the praise that's on my mouth  
Or would I find You at the North Pole  
Or even deep within the south  
I will go from coast to coast  
Just to be with You  
I would do the impossible  
'Cause I wanna be with You

And I will apprehend, no  
Matter how long or how far

And only one desire is

I wanna be where You are  
I wanna see Your face  
Basking in Your presence  
I wanna feel Your grace  
Bow before the throne  
I wanna see Your scars  
Touch the hem of Your garment  
I wanna be where You are  
I wanna be where You are  
I wanna be where You are  
I wanna be where You are

[Repeat]

It's where I wanna be  
I wanna be where You are

It's where I wanna be  
In the presence of You Lord  
Basking in your glory  
I wanna be where You are  
I wanna see your face  
Basking in your presence  
I wanna feel Your grace  
Bow before the throne  
I wanna see Your scars  
Touch the hem of Your garment  
I wanna be where You are  
I wanna be where You are
