Tears of rain run down my window pane
I'm on my own again, believe me, sorrow
Sit and dream of how things might have been
And as I close my eyes, I get the strangest feeling

Knock knock, who's there
Could this be love that's calling
The door is always open wide
Knock knock - who's there
Now as the night is falling
Take off your coat and come inside

Climb the stair and then I say a prayer
For someone who could share my situation
But instead as I lay down my head
I have to leave it all to my imagination

Knock knock, who's there
Could this be love that's calling
The door is always open wide
Knock knock - who's there
Now as the night is falling
Take off your coat and come inside

Lah-la-lah, la-la-la, lah-la-lah
La-la-la, lah-la-lah, la-la-la-la-lah
Lah-la-lah, la-la-la, lah-la-lah
La-la-la, lah-la-lah, la-la-la-la-lah

Sit and dream of how things might have been
And as I close my eyes I get the strangest feeling

Knock knock, who's there
Could this be love that's calling
The door is always open wide
Knock knock - who's there
Now as the night is falling
Take off your coat and come inside, hah-ahh
Take off your coat and come inside...
