As I look to the cross,  
I see what I have become.  
I consider all loss  
In light of all You have done.

Come save me. Come heal me.

[Chorus:]  
Father, forgive me  
For I ignored the truth.  
You love me so You tell me  
What's keeping me from You.  
I don't want this anymore.  
Take this sin away, my Lord.

Take my broken heart and renew my mind.  
Never leave me, oh Lord.  
I need You in my life.

Come save me. Come heal me.

[Chorus:]  
Father, forgive me  
For I ignored the truth.  
You love me so You tell me  
What's keeping me from You.  
Father, forgive me  
For I ignored the truth.  
You love me so You tell me  
What's keeping me from You.  
I don't want this anymore.  
Take this sin away, my Lord.  
I don't want this anymore.  
Take this sin away, my Lord.
