Rolling down the road
Rolling like a stone
Feel your engine roar
Feel your body purr
My cha cha
You're my cha cha

Putting down the smack
Stepping on the gas
Riding kinda low
Everybody knows
My cha cha
You're my cha cha

I just want you to feel me
I just want you to hear me
I just want you to heal me
You're my cha cha
You're my cha cha
Cha cha
Ch-ch-ch-ch-cha

Nothing's gonna last
We're just going fast
Charging like a bull
You're seeing red
You're my cha cha
You're my cha cha

I just want you to feel me
I just want you to hear me
I just want you to heal me
You're my cha cha
You're my cha cha
You're my cha cha
You're my cha cha
You're my cha cha
