Woah-woah
Woah-Woah
Woah-Woah
Woah-Woah

She's the kind of a girl you can't get enough of
She's the kind of a girl you need to feel the
touch of
She's the kind of a girl that can really shake up
your whole world
The kind of a girl you kinda never want to let go

Uh oh uh oh uh oh woah woah

I had some time to kill, I had a lot to learn yeah
She said i herad you got a little money to
burn yeah
She said she knew some things to do, some
places we could go
The way he looked i guess i kinda couldn't

say no

Uh oh uh oh uh oh woah woah

And she took me by the hand
And she said she had some plans
And i tried so hard but i didn't quite understand
But she knows just what to say
And she always gets her way

And before too long it was clear as day
This girl was here to stay

She's the kind of a girl you can't take too
much of
She's the kind of a girl that can really take up
your whole world
the kind of a girl you kinda wish you didn't
know

Uh oh uh oh uh oh woah woah woah
