I believe, I believe, I believe  
I believe, I believe, I believe  
In us

I want to believe in the human spirit  
The kind that can love, unconditionally, yeah  
I want to dream with my eyes wide open  
I want to feel, the love from within

For all humanity, in the name of eternity  
For those who want to be free  
For those who dream like me  
If you know you can and see  
The good in you and me  
All you got to do, all you got to do  
Is believe

[Chorus]

I believe  
In you  
I believe  
In me  
I believe  
In him  
I believe  
In them  
I believe  
In her  
I believe  
In us

I want to believe in my own abilities  
I want to believe that one day we will have peace  
I want to believe in the power of prayer  
I want to believe someone has the answer

For all humanity, in the name of eternity  
For those who want to be free  
For those who dream like me  
If you know you can and see  
The good in you and me

All you got to do, all you got to do  
Is believe

[Chorus]

I believe  
In you  
I believe  
In me  
I believe  
In him  
I believe  
In them  
I believe  
In her  
I believe  
In us

What do you believe in  
Who do you believe in  
What do you believe in

I'm lost in my dreams, I'm dreaming awake,  
I'm dreaming awake, wake me up  
I'm lost in my dreams, I'm dreaming awake,  
I'm dreaming awake, wake me up
