All I Do

Lyrics and music by Stevie Wonder

You made my soul a burning fire

You're getting to be my one desire

You're getting to be all that matters to me

And let me tell you girl

I hope and pray each day I live

A little more love I'll have to give

A little more love that's devoted and true

'Cause all I do is think about you

All I do

Oh baby

Is think about you

Think about you baby

All I do

m-m-m-m

Is think about you

Baby just suppose I should happen to cross your mind

And by some chance a boy like me you're really been  
trying to find

Well let me tell you girl

Think of how exciting it would be

If you should discover you feel like me

If you should discover this dream is for two

We'll I'm gonna tell you girl

I'd light a candle every day

And pray that you'll always feel this way

And pray that our love will forever be new

'Cause all I do is think about you

All I do

Oh baby

Is think about you

I think about you

All I do

Yeah, baby

Is think about you

Gonna tell you girl

I'd light a candle every day

And pray that you'll always feel this way

And pray that our love will forever be new

I'm gonna tell you girl

If I cannot have you for my own  
I'd rather be lonely and all alone  
I'd rather keep thinking the way that I do  
'Cause all I do is think about you  
All I do  
- Oh baby  
Is think about you  
- Think about you baby  
All I do  
- Ou Oh baby
