All I Do
Lyrics and music by Stevie Wonder
You made my soul a burning fire
You're getting to be my one desire
You're getting to be all that matters to me
And let me tell you girl
I hope and pray each day I live
A little more love I'll have to give
A little more love that's devoted and true
'Cause all I do is think about you
All I do
Oh baby
Is think about you
Think about you baby
All I do
m-m-m-m
Is think about you
Baby just suppose I should happen to cross your mind
And by some chance a boy like me you're really been
trying to find
Well let me tell you girl
Think of how exciting it would be
If you should discover you feel like me
If you should discover this dream is for two
We'll I'm gonna tell you girl
I'd light a candle every day
And pray that you'll always feel this way
And pray that our love will forever be new
'Cause all I do is think about you
All I do
Oh baby
Is think about you
I think about you
All I do
Yeah, baby
Is think about you
Gonna tell you girl
I'd light a candle every day
And pray that you'll always feel this way
And pray that our love will forever be new
I'm gonna tell you girl

If I cannot have you for my own
I'd rather be lonely and all alone
I'd rather keep thinking the way that I do
'Cause all I do is think about you
All I do
- Oh baby
Is think about you
- Think about you baby
All I do
- Ou Oh baby
Is think about you
- I think about you baby
All I do
- Yeah baby
Is think about you
- Think about you baby,
All I do
- baby, baby, baby, baby, baby
Is think about you
- All I do is think about you ba
