S. Wonder

As around the sun the Earth knows she's revolving
And the rosebuds know to bloom in early May
Just as hate know's love's the cure
You can rest your mind assure
That I'll be loving you always
As now can't reveal the mystery of tomorrow
But in passing will grow older every day
Just as all is born is new
Do you know what I say is true
That I'll be loving you always
Until the rainbow burns the stars out in the sky
ALWAYS
Until the ocean covers every mountain high
ALWAYS
Until the dolphin flies and parrots live at sea
ALWAYS
Until we dream of life and life becomes a dream
Did you know that true love asks for nothing
Her acceptance is the way we pay
Did you know that life has given love a guarantee
To last through forever and another day
Just as time knew to move on since the beginning
And the seasons know exactly when to change
Just as kindness knows no shame
Know through all your joy and pain
That I'll be loving you always
As today I know I'm living but tomorrow
Could make me the past but that I mustn't fear
For I'll know deep in my mind
The love of me I've left behind
Cause I'll be loving you always
Until the day is night and night becomes the day
ALWAYS
Until the trees and sea just up and fly away
ALWAYS
Until the day that 8X8X8 is 4
ALWAYS
Until the day that is the day that are no more
Did you know you're loved by somebody?
Until the day the Earth starts turning right to left

ALWAYS

Until the Earth just for the sun denies itself

I'll be loving you forever

Until dear Mother Nature says her work is through

ALWAYS

Until the day that you are me and I am you
