For once in my life I have someone who needs me
Someone I've needed so long
For once, unafraid I can go where life leads me
Somehow I know I'll be strong
For once I can touch what my heart used to dream of
Long before I knew someone warm like you
Would make my dream come true
For once in my life I won't let sorrow hurt me
Not like it's hurt me before
For once I have something I know won't desert me
I'm not alone anymore
For once I can say "This is mine, you can't take it!"
Long as I know I have love I can make it
For once in my life I have someone who needs me
For once I can feel that somebody's heard my plea
For once in my life I have someone who needs me
