Lyrics and music by Stevie Wonder and Syreeta Wright

And if you really love me won't you tell me..

And if you really love me won't you tell me..

And if you really love me won't you tell me..

Then I won't have to be

Playing around

You call my name

Oooh so sweet

To make your kiss incomplete

When your mood is clear

You quickly change your ways

Then you say I'm untrue

What am I supposed to do

Be a fool who sits alone waiting for you

But if you really love me won't you tell me..

But if you really love me won't you tell me..

And if you really love me won't you tell me..

Then I won't have to be

Playing around

I see the light of your smile

Calling me all the while

You are saying baby

It's time to go...

First the feeling's alright

Then it's gone from sight

So I'm taking out this time to say

Oh if you really love me won't you tell me..

Oh if you really love me won't you tell me..

And if you really love me won't you tell me..

Then I won't have to be

Playing around no

Playing around no

Hey yeah

Goofin' around no

Oh baby

Playing around no

Let me know how you feel baby

Hey oh baby

Playing around no
