Rocket love
Lyrics and music by Stevie Wonder
Do Do Do, Do Do Do, Do Do Do, Do Do Do
Do Do Do, Do Do Do, Do Do Do-oo
I longed for you since I was born

down to this cold, cold world
Da Da Da, Da Da Da, Da Da Da, Da Da Da
Da Da Da, Da Da Da-aa
The passion burning in your heart
Would make hell's fire seem like a spark
Where did it go

But at a half a mile from heaven you dropped me back
down to this cold, cold world
Baby you took me riding in your rocket gave me a star
But at a half a mile from heaven you dropped me back

down to this cold, cold world
Cold, too cold, you took me riding in your rocket gave
me a star
But at a half a mile from heaven you dropped me back
down to this cold, cold world
Oh, Oh, Oh, took me riding i
