=====  
Live At Luther - Deed is Done  
=====

Yeah God  
oh here I am  
down on my knees  
at you I'm staring  
oh, and God  
I've got a prayer  
and I prayed aloud  
but you can't hear  
oh, and why would you  
oh, forgiving one  
oh, and all good  
from far beyond  
oh, little girl  
with cancer eating  
steal her young soul  
when mine is bleeding  
but the thing is done  
the girl yellow and weeping  
it's no fun  
and now its steep God, steep God  
but you know  
your time is gone

and my faith is done  
and the deed is done  
and the girl is gone  
and the deed is done  
and the girl is gone  
and the deed is done

up from the ashes of man's hate  
come so happy  
lead it away  
yeah from the ashes  
of man's disgrace  
come my soul happy  
lead it away

well you may find your religion  
you may find your passion  
but it's done  
the little girl is gone  
well explain your religion  
you can explain your passion  
but God

oh, my girl is gone  
stolen from  
oh yeah  
yeah
