Live At Luther - Seek Up

=====

Sometimes I feel like I'm falling
Fall back again, fall back again
Fall back again, fall back again

Oh, life it seems a struggle between
What we think what we see
I'm not going to change my ways
Just to please you or appease you
Inside a crowd, five billion proud
Willing to punch it out
Right wrong weak strong
Ashes to ashes we all fall down
Look around this round
About this merry-go-round around
If at all God's gaze upon us fall
His mischievous grin look at him

Forget about the reasons and
The treasons we are seeking
Forget about the notion that
Our emotions can be swept away
Forget about being guilty,
We are innocent instead
For soon we will all find our lives swept away

Sit a while with TV's hungry child
Big belly swelled
Oh, for the price of a coke or a smoke,
Keep alive those hungry eyes
Take a look at me, what you see in me
mirror look at me
Face it all, face it all again

Forget about the reasons and
The treasons we are seeking
Forget about the notion that our emotions can be
Swept away, kept at bay

Forget about being guilty, I am innocent instead
For soon we will all find our lives swept away

You seek up an emotion
And our cup is overflowing
You seek up an emotion
Sometimes your well is dry
You seek up a big monster
For him to fight your wars for you
But when he finds his way to you the devil's not
Going--ha, ha, ha ha

Say, say

Look at me in my fancy car
And my back account
Oh, how I wish I could take it all down
Into my grave, I'd save
Take a look again
Everyday things change,...stay the same

Forget about the reasons and
The treasons we are seeking
Forget about the notion that
Our emotions can be swept away
Intentions are not wicked,
Don't be tricked into thinking so
Soon we will all find our lives swept away

You seek up an emotion and
Your cup is overflowing
You seek up an emotion
Sometimes your well is dry
You seek up a big monster
For him to fight your wars for you
But when he finds his way to you,
The devil's not going--ha ha, ha ha
Fall back again, fall back again, fall back again...
