Live At Luther - Two Step
=====

Say, my love, I came to you with best intentions
You laid down and gave to me just
what I'm seeking
Love , you drive me to distraction

Hey my love do you believe that we
might last a thousand years
Or more if not for this,
our flesh and blood
It ties you and me right up
Tie me down

Celebrate we will
Because life is short but sweet for certain
We're climbing two by two
To be sure these days continue
These things we cannot change

Hey , my love, your can to me like
wine comes to this mouth
Grown tired of water all the time
You quench my heart and you
quench my mind

Celebrate we will
Because life is short but
sweet for certain
We're climbing two by two
To be sure these days continue
The things we cannot

Celebrate , you and me ,climbing
two by two ,to be sure
these days continue , these things we
cannot change

Oh , my love I came to you

with best intentions
You laid down down and gave to me
just what I'm seeking

Celebrate we will
Because life is short
But sweet for certain
We're climbing two by two
to be sure these days continue
Things we cannot change...
Things we cannot change
